WHY SHOULD I ATTEND?

AppSec USA, OWASP's annual North America Conference, avoids the fluff and vendor-bias of other conferences. AppSec USA attracts the best minds in the industry today. Speakers and Trainers participate on high-level panels, lead training sessions and mentor conference attendees new to the security field. AppSec USA will also feature a Career Fair and networking opportunities in the exhibition area.

WHAT ELSE SHOULD I KNOW?

- Great Networking (Who needs online job sites when you can meet with hiring managers?)
- Great Training (Two-day training sessions with our experts will turn you into an application security maven.)
- Great Fun (It's NYC. We would be remiss if we didn't have at least one cocktail reception!)
